HONOURS AND AWARDS

- **First Place in Oral Research Presentation** - DEMEDCON, Sri Devaraj Urs Medical College Kolar 2024 - The study was titled "A Mixed Methodology Study: The Comparison between Competence & Psychological Resilience Between New & Experienced Healthcare Workers." Surveying 70+ healthcare workers, the study demonstrated a significant correlation between competence and resilience as measured by the H-PEPSS and CD-RISC (10) indices.
- **First Place in Hackathon** - Eureka 2.0 at Vedam, KMC Manipal 2024 - Developed a prototype of an integrated health diagnostics device that collects data via several sensors including ECG, EMG, Temperature, Pulse, GPS, Altitude etc. and enables first responders to deliver diagnostic information to Doctors. The solution provides a portable, affordable and effective diagnostic tool.
- **Third Place in Case Poster Presentation** - Vedam, KMC Manipal 2024 - Presented a case poster on endometrial carcinoma with atypical findings, from the department of Obstetrics and Gynecology. Titled "Spotting Danger", the poster highlighted the importance of early detection in ensuring a favorable prognosis.
- **Third Place in Undergraduate Quiz** - MEDICON 2024, Indian Medical Association (Karnataka) - at the 90th Annual Medical Conference.
- **First Place in International Day of Radiology Quiz** - SSIMSRC, T-Begur 2024 - Finished first in the quiz organized by the department of Radiology.
- **Third Place in Realm of Remedies Rapidfire Quiz** - Vedam, KMC Manipal 2024 - Finished third in the quiz themed on applying real-world emergency medicine principles.
- **First Place in IAPSM World Health Day Quiz** - SSIMSRC, T-Begur 2024 - Quiz organized by the department of Community Medicine.
- **First Place in Pharmacovigilance Treasure Hunt** - SSIMSRC, T-Begur 2023 - Competition organized by the Department of Pharmacology along with the Pharmacovigilance committee.
- **First Place in Research Poster Presentation** - SSMC, SSMCCON Tumkur 2022 - As a first year undergraduate student, I presented a research poster on academic burnout among undergraduate medical students.
